1965 CORVAIR CORSA CONVERTIBLE

Up for your consideration is this absolutely stunning 1965 Corvair Corsa Convertible vin# 107675W259479. This beautiful Corsa is equipped with a rear mount horizontally opposed 140hp 6cyl motor mated to a 4 speed transmission. This Corvair is in extremely nice condition and is a show winner. This car is one of the sharpest Corvairs I've seen. The Evening Orchid paint code "P" is the original color for this a fairly rare one year (1965 only) color. I would say the current condition is of better quality than what the car left the factory with but is not perfect. Beautiful White interior just takes this convertible to the next level. Clean and correct with the exception of the added performance wheels and tires. The White convertible top is in excellent condition and is properly installed. Everything about this car looks extremely nice and is a real eye catcher for any buyer. The clock is the only electrical device known to not work. The car runs and drives fantastic and the motor has a lot of torque. The 15" Torque Thrust wheels and low profile Cooper tires add just the right touch of sport to this collector car. This is a beautiful 49 year old class that will shine at any car show or cruise in.

Please review the picture and feel free to call and ask all the questions you may wish.

This beautiful Corvair belongs to and is being offered by a long time Corvair Corsa member and a good friend of mine that has asked for me to place his vehicle on eBay. If you have any questions about the condition, please feel free to contact Jerry at 864-934-6358. I am more than happy to answer any questions you may have.
